We Want Your Band For The Best of SignMeTo Roadrunner Records' Digital Sampler...

Roadrunner Records is proud to announce the creation of the first digital sampler featuring artists and scouts from their exclusive demo submission site SignMeTo Roadrunner Records. We've already got a few picks of our own, but we're relying on our dedicated scouts to find more artists to populate the sampler. Want in on the action? Follow the steps below:

Artists:

- Create an Artist Profile on SignMeTo Roadrunner Records
- Upload a song to your profile
- Tag your band WS10
- Promote your artist page

Scouts

- Create a Scout Profile on SignMeTo Roadrunner Records
- Review artists who have tagged themselves WS10

If you don't make it on to this sampler, don't fret! There will be plenty more.
