

Independent Musicians Have Found A Home

RadicalRed, 2018

Red Sea Rising Trip Radio and Off The Hook Productions want independent musicians everywhere to know that you have found a home here! Our goal is to make this an all in one way to get your music played. We want to play your music on commercial livestream radio, we want your voice and style to be heard and we have gone to the mat for you to be recognized in a significant way! RSR and OTH are beginning band competitions very soon (in the next few weeks) that will take some of you all the way to the top of the game.

Stay tuned, big things are coming your way!
